

**Reagan Round Up
Freedom Fun Shoot
Saturday, July 1, 2017
Colorado Clays /
East of Brighton**

Meet Tim Donnelly, former California State Assemblyman & former Minuteman leader in California, one of the foremost authorities on illegal immigration in the country, and a staunch defender of our Civil Liberties. There is no stronger advocate of the 2nd Amendment.

In his new book, *Patriot Not Politician*, Donnelly exposes some of the biggest names in the political establishment and reveals how his own gubernatorial bid served as a preview for the treatment of President Donald Trump.
